Student Scientific Symposium

Dear students,

*We are glad to invite you to attend the Student Scientific Symposium organized by the Faculty of Veterinary Medicine of Bucharest, which will be held **on 25th May 2022.***

Participants – undergraduate & master students (in Veterinary Medicine, Control and Expertise of Alimentary Products) are invited to submit the abstracts of their scientific papers, to the symposium e-mail address – student.symposiumfmvb@gmail.com until the 1st of May, 2022. The e-mail address of coordinating Professor must be copied in CC.

The author guidelines for Abstract format are posted on the following link www.fmvb.ro.

All accepted papers will be presented orally, the abstracts will be published in a Book of Abstracts, and the attending will be acknowledged by a Certificate.

We are hoping that this scientific event will contribute to your personal and professional development by experimenting the transfer of scientific knowledge into practice, while building commitment of the importance of research-based education and lifelong learning.

We wish you good luck, looking for your enthusiastic attending!

All details are available at the website www.fmvb.ro.

On behalf of the organizing committee,

Prof.univ.Dr. Manuella MILITARU

Dean

Prof.univ.Dr. Mariana IONITA

Vice-Dean for Scientific Research
